 **Vero mechanical breakdown insurance**  
keeping you on the road

Please familiarise yourself with the information contained in this certificate. Failure to comply with the specified servicing requirements may mean you are not covered by this insurance. Please keep this certificate in a safe place.

We wish you safe and trouble free motoring.

**To make a claim**

1. Phone Claims Services on **0800 809 700** to lodge a claim and to find details of an authorised repairer near you.
2. If the vehicle can be driven safely without causing further damage drive it to the nearest authorised repairer or otherwise have it towed.
3. Repairs must be carried out by an authorised repairer.
4. Present your policy to the service manager to determine if the breakdown constitutes a claim under the policy.
5. Ensure that the repairer contacts us to obtain a repair authorisation number before work commences.
6. In some instances we may require you to complete a claim form. We may also require other documentation such as proof of servicing and invoices.
7. If the repairer is unable to determine the fault it may be necessary to dismantle parts. If this is the case we must be notified and only you can authorise this work. The contract to repair the vehicle is between you and the repairer. We may agree to indemnify you in relation to costs covered under this policy, which forms a contract of insurance between us.
8. We reserve the right to supply new, used or reconditioned parts at our discretion.

 **Servicing Requirements**

You are required to keep your vehicle serviced at your cost to ensure the cover under this insurance remains in place. You may have your vehicle serviced at any recognised service facility. The minimum requirements are:

The cost of servicing is at your expense. You must make sure that the service facility completes the service coupons on this certificate at the time of the service. This information will be required in the event of a claim. Previous servicing invoices may also be required in the event of a claim. Please retain all invoices for future reference.
