

Letter Box Bunny Ears

Let's make some bunny ears for our letterboxes so all the walks this Easter are a bit more egg-citing!

What you need:

- *A4 paper to draw your ears on (or use the stencil on this paper!)*
- *Some cardboard*
- *Scissors (& a parent to supervise!)*
- *String (or ribbon!)*
- *Glue*
- *Vivid*
- *And some things to decorate (glitter, ribbon, fabric, colored pencils – you pick!)*

What to do:

- *Draw some bunny ears on your bit of paper*
- *Stick these to your cardboard*
- *Cut out your bunny ears but leave a band of cardboard at bottom, we will need this later to tie it to the letter box!*
- *Make a small hole on each side of band, put the string through the holes, this is how we will attach the ears to the letter box*
- *Decorate your ears*
- *Head down to the letter box and stick your ears on to the top of the letterbox, tie the string at the bottom of the letter box*
- *Upload a pic of your ears to Facebook or Instagram – make sure you tag us! @mtffinance*
